Sir/Madam,

With reference to your application no. SL-01921-1516 on the subject cited above and subsequent correspondence in the matter, I am directed to inform you that on perusal of the documents received along with the compliance report dated 09/03/2015 the following deficiencies have been observed.

1. The school has again submitted the same copy of certificate of land which is submitted earlier. The Khatoni No., Kehwat No. and Khasra No. as mentioned in the certificate of land and mentioned in the registered land documents, do not match with each other. Thus, school is required to clarify the same and again has to resubmit certificate of land in accordance with the land documents with correct land and location details duly certified by Competent Authority i.e. Registrar/Tehsildar.
2. All the documents (each page) forwarded to the Board must be signed by the Manager and Principal of the school.

Due to above deficiencies(s) your application can not be processed further. Therefore you are advised to submit compliance of removal of above deficiencies within 20 days positively from the date of issue of this letter. It is further informed that that school should not start classes under CBSE pattern (IX/X) without grant of affiliation by the Board otherwise the Board will not be responsible for any consequences arising out of it.

Needless to mention that early removal of deficiencies pointed out above will expedite processing of your application for affiliation. However, if no response is received within the stipulated time, your case will be processed for rejection by the Board.

Yours faithfully,

ASSISTANT SECRETARY (AFF.)
